

**10 WAYS
HOW RCEP
CAN HELP
TIMOR-LESTE
BUSINESSES**

Here are 10 Valuable Advantages of RCEP for Timorese Business Growth!

WHAT IS RCEP?

RCEP stands for Regional Comprehensive Economic Partnership is a game-changing trade deal for businesses!

It brings together 15 Asian and Pacific countries, to increase trade and investment by reducing barriers such as tariffs.

This creates a massive, unified market for businesses to tap into, leading to increased economic growth and competitiveness.

Get ready to seize new opportunities and drive your business to new heights with RCEP!

1) INCREASED MARKET ACCESS:

The RCEP agreement provides Timorese businesses with an opportunity to expand their customer base by accessing new markets within the RCEP region, such as a Timorese coffee company being able to export to RCEP countries.

2) TARIFF REDUCTION:

RCEP reduces tariffs on exports, making Timorese products, such as Timorese handicrafts, more competitive in RCEP markets and increasing profitability.

3) IMPROVED SUPPLY CHAIN CONNECTIVITY:

The RCEP will **streamline the supply chain for businesses in Timor-Leste**, such as a Timorese seafood company, making it easier for them to import raw materials and export finished products to RCEP countries.

4) ACCESS TO A LARGE MARKET:

The RCEP region represents a significant market opportunity for Timorese businesses, with a combined population of over 2.2 billion people, creating new opportunities for a Timorese tourism company.

5) FOREIGN INVESTMENT ATTRACTION:

The RCEP agreement may **attract foreign investment to Timor-Leste**, creating new opportunities for businesses such as a Timorese tech startup.

6) INTELLECTUAL PROPERTY PROTECTION:

The RCEP includes provisions for intellectual property rights protection, benefiting Timorese businesses that rely on their intellectual property, such as a Timorese pharmaceutical company.

7) TRADE FACILITATION:

The RCEP will **simplify trade procedures and reduce barriers to trade**, making cross-border trade easier for Timorese businesses, such as a small-scale exporter of agricultural products.

8) GREATER MARKET ACCESS FOR SERVICES:

The RCEP agreement will provide **greater market access for Timorese service providers**, such as a Timorese language school, creating new business opportunities.

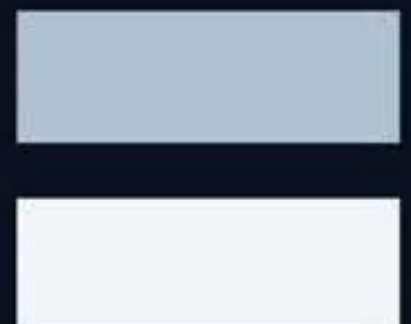

9) INCREASED COMPETITIVENESS:

The RCEP will **increase competitiveness for Timorese businesses** by removing trade barriers and making it easier for them to access RCEP markets, such as a Timorese renewable energy company.

10) IMPROVED ECONOMIC GROWTH:

The RCEP will contribute to improved economic growth in Timor Leste, creating new business opportunities and employment, benefiting the entire Timorese economy.

Welcome to **OBORSEANA**, the One Belt One Road South East Asian NGOs Alliance, dedicated to **empowering SMEs** across 16 countries in the RCEP region.

We facilitate **trade, investment, education, and healthy relationships** between private enterprises and government agencies.

As the **primary liaison** in trade negotiations, we promote **economic, educational and cultural exchange**.

Join us to expand your business and create a brighter future for SMEs in the region.
